

Time to File for Your Homestead Exemption

A Homestead Exemption allows a partial exemption on a portion of the assessed value of your home. The amount varies from county to county. To qualify for the property tax exemption, the HOMEOWNER must file for Homestead Exemption at the county Court House or Tax Office, either in person, by mail or on a web site, depending on the county in which you reside.

If you purchased land or investment property, please contact your County Court House to see if you need to file a special Homestead Exemption.

The following is a list of several counties, their phone numbers, web sites, and filing dates for each. Please call the number of the county in which you reside or refer to their web site for instructions on filing. A few county websites have on-line filing.
